Dear Parent (s):

NESD Head Start has conducted general screenings today on your child _____

Hearing Screen Results:

- _____ Within normal limits for age.
- _____ Unable to assess. We will re-screen at a later date.
- _____ Results were not in the range. We will schedule a date to re-screen.
- _____ ***Results were not in the range.**
Please schedule an appointment with your child's medical provider.

Vision Screen Results:

- _____ Results were within the normal range.
- _____ Unable to assess. We will re-screen at a later date.
- _____ ***Results were not in range. Please make an appointment with an optometrist.**

*Early screening promotes early detection and contributes to good health, and learning.

If your child failed this screening, please contact a professional for further assessment as soon as possible.

The Welch Allyn Otoacoustic Emissions Hearing Screener and the Welch Allyn Sure Sight Vision Screener and Sure Spot Vision Screener are used to conduct our screenings.

Please have results of your child's referral/doctor visit sent to Head Start.

If you have any questions, please call the Health Manager at 605-229-4506.

Thank you,
